# Canadian Grain Exports

**Crop year  
2002–2003**

**Canada**

## Table of contents

## Tables

|                                                                                            |    |
|--------------------------------------------------------------------------------------------|----|
| 1. Total grain and wheat flour exports .....                                               | 3  |
| 2. Major importers of Canadian wheat .....                                                 | 3  |
| 3. Major importers of Canadian grains and wheat flour .....                                | 4  |
| 4. Exports by country of destination .....                                                 |    |
| - wheat, durum wheat and wheat flour .....                                                 | 5  |
| - oats, barley, flaxseed, canola, soybeans, peas and corn .....                            | 8  |
| 5. Exports by clearance sector .....                                                       |    |
| - wheat .....                                                                              | 9  |
| - durum wheat .....                                                                        | 11 |
| - oats .....                                                                               | 11 |
| - barley .....                                                                             | 12 |
| - flaxseed .....                                                                           | 12 |
| - canola .....                                                                             | 13 |
| - soybeans .....                                                                           | 13 |
| - peas .....                                                                               | 14 |
| - corn .....                                                                               | 14 |
| 6. Exports by class .....                                                                  |    |
| - wheat .....                                                                              | 15 |
| 6. Exports by grade .....                                                                  |    |
| - oats .....                                                                               | 17 |
| - barley .....                                                                             | 17 |
| - flaxseed .....                                                                           | 18 |
| - canola .....                                                                             | 18 |
| - soybeans .....                                                                           | 19 |
| - peas .....                                                                               | 19 |
| - corn .....                                                                               | 20 |
| 7. Exports by port of clearance .....                                                      | 21 |
| 8. Exports by month and clearance sector .....                                             | 22 |
| 9. Exports by class, grade and clearance sector .....                                      | 24 |
| 10. Exports of wheat (including durum) and wheat flour by month and clearance sector ..... | 25 |
| 11. Exports of special crops and processed products .....                                  | 26 |
| 12. Ocean freight rates .....                                                              | 31 |

## Figures

|                                                                                  |    |
|----------------------------------------------------------------------------------|----|
| 1. Total grain and wheat flour exports —1993-1994 through 2002-2003 .....        | 3  |
| 2. Importers of Canadian wheat—2002-2003 .....                                   | 3  |
